§ 1007.7

(2) A request for expedited processing may be made at the time of the initial request for records or at any later time.

(3) A requester who seeks expedited processing must submit a statement, certified to be true and correct to the best of that person's knowledge and belief, explaining in detail the basis for requesting expedited processing.

(4) Within ten calendar days of receiving of a request for expedited processing, the FOIA Officer shall decide whether to grant the request for expedited processing and shall notify the requester of the decision. If a request for expedited processing is granted, the underlying FOIA request shall be given priority and shall be processed as soon as practicable. If a request for expedited processing is denied, any appeal of that decision shall be acted on expeditiously.

§ 1007.6 Time limits for processing initial requests.

(a) *Basic limit.* Requests for records shall be processed promptly. A determination whether to grant or deny a request shall be made within 20 working days after receipt of a request. This determination shall be communicated immediately to the requester.

(b) *Running of basic time limit.* (1) The 20 working day time limit begins to run when a request meeting the requirements of §1007.3(b) is received at the Presidio Trust.

(2) The running of the basic time limit may be delayed or tolled as explained in §1007.9 (f), (g) and (h) if a requester:

from the main office of the Presidio Trust;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request.

(d) *Notice of extension.* A requester shall be notified in writing of an extension under paragraph (c) of this section. The notice shall state the reason for the extension and the date on which a determination on the request is expected to be made.

(e) *Treatment of delay as denial.* If no determination has been reached at the end of the 20 working day period for deciding an initial request, or an extension thereof under §1007.6(c), the requester may deem the request denied and may exercise a right of appeal in accordance with §1007.7.

(f) *Notice of delay.* When a determination cannot be reached within the time limit, or extension thereof, the requester shall be notified of the reason for the delay, of the date on which a determination may be expected, and of the right to treat the delay as a denial for purposes of appeal, including a reference to the procedures for filing an appeal in §1007.7.
